School Structure and Operations

Welcome from the Principal

Dear CLIC Families,

I am so excited for this 2023-2024 school year. It is an honor to be a part of the CLIC and New LA Communities. This year we have so many exciting things happening for our students. I look forward to working with our returning families and getting to know our new families and students.

What follows is our school's Family Handbook-- an essential resource for all members of our school's community. The policies outlined in this handbook allow us to uphold our school's mission and our commitment to offer students an outstanding education.

Being a member of a charter school community requires a strong commitment from everyone: staff, students, and families. By staying focused on learning goals, personal and interpersonal growth, and service to our community, we believe that our school will continue to be a special place. Collaboration, cooperation, and open communication between home and school are keys to building a solid foundation for a successful year. We encourage and invite parent and community involvement in an effort to build a positive and successful educational experience for every student.

Just as we are committed to providing an exceptional educational program, we have high expectations for students and families which are outlined in this Handbook. At the start of the school year, we ask students and parents to make a commitment to upholding the Mission of our school by signing the Respect For Self and Others Agreement.

We look forward to an exciting year full of learning, making new friends and having fun. We feel honored that you have put your children in our care and we promise that we will strive to make CLIC a wonderful community of learners as we grow together.

Warmly,

Dr. Rebecca Heneise

Welcome to City Language Immersion Charter (CLIC)

City Language Immersion Charter is a parent-initiated, tuition-free and non-sectarian public school. It offers a dual-immersion, inquiry-based, experienced-centered curriculum to serve the culturally rich and diverse populations of West Adams and the greater Los Angeles area. By law, admission is determined by lottery which is open to all children in California. As of July 1, 2023 CLIC is part of the New Los Angeles Charter Schools Network. In this handbook you may see policies referencing New LA meaning that these policies apply to all schools in the network.

Our Mission Statement

CLIC provides an exceptional bilingual education to a diverse student body, through dynamic hands-on learning and a student-centered, multicultural approach. Our community is diverse in thought, experience, heritage, expression, class, and we see our diversity as our strength. In order to fulfill our mission, we:

- Provide a constructivist, project-based learning environment in which teachers guide students through active learning processes to develop conceptual understanding and critical thinking.
- Implement a dual language immersion program that develops bilingual fluency and multi-cultural understanding.
- Establish a culture that puts relationships and social-emotional support first so that every student is known and gets the support they need to succeed.
- Give faculty time, resources, autonomy and a collaborative atmosphere to continually develop their skills and create, evaluate and refine curricula, and reflect on the learning of their students.
- Communicate regularly with students' families, seeking family involvement in the life of the school, and continually reaching out to all families in the neighborhood to ensure an inclusive learning community.

CLIC's Vision

Our students emerge as critical thinkers who ask questions, solve problems, and express ideas creatively and thoughtfully. They engage in meaningful leadership and decision-making experiences, as they learn to think, speak, read, and write in two languages: English and Spanish. As members of a caring community, students feel comfortable, safe, and cared for, enabling them to take greater academic risks, express concerns and ask for help, develop character, and become leaders in and outside of school.

CLIC's Values

Educational Excellence: Engaging every student in a child-centered, thoughtful, inspired education that challenges them to think critically, create, and problem-solve.

Diversity: Building a caring and inclusive community of diverse families that celebrate differences and learn from each other.

Community: Harnessing the energy and spirit of our community to create a unified community with a strong sense of belonging and responsibility across stakeholders.

At the foundation of our educational philosophy is a belief that learning should be an active experience that involves a community of educators, students and families. We believe that effective schools create a culture of caring and respect that supports all members in achieving their potential academically, socially, emotionally, artistically, and physically. To enable all to work together toward these ends, we believe in explicitly expressing our learning goals – derived from academic

standards and school-defined behavioral and attitudinal objectives. We expect all involved with the school to support these convictions and to endorse a constructivist learning environment that nurtures, challenges, and values every member of the community. We also adhere to the belief that students should be given opportunities to direct their own learning. Our students will be asked to explore their interests through the process of choosing specific projects and formulating essential questions that drive their learning experiences.

Current research shows that a constructivist approach to teaching and learning develops deep and long-lasting conceptual understanding in students (Sagor & Cox, 2003. *At-Risk Students: Reaching and Teaching Them*; Pransky, 2002). "To meet your students where they are, first you have to find them". When coupled with data driven instruction and problem-based lessons, constructivism is even more effective. We, therefore, embrace these three practices fully. Teachers continually assess each student's progress through observation, interaction, and testing, and then design lessons in response to student

needs. Similarly, teachers will assess their own pedagogy's effectiveness in promoting student learning by examining their practices through action research projects.

Animals on Campus

Animals are not allowed on campus, except service animals that are specifically trained to aid a disabled person.

Going To and Leaving School

CLIC's top priority is to keep children safe at all times. In order for the carpool lane to function efficiently and with minimum potential hazards, parent and persons you assign to bring and/or pick up your child(ren) must follow the following procedures:

Walking your Child in to School

- Park in the neighborhood and walk to campus. Use the Main Pedestrian Entrance to enter campus, DO NOT use the driveway.
- DO NOT park in the red zone in front of the school.
- DO NOT block or park in the main driveway entrance or the east gate (carpool entrance).

Carpool Procedures

- Enter the carpool lane turning Right using the East gate (gate closest to 6th Avenue).
 - DO NOT make a Left turn from Venice Blvd.
 - DO NOT drive in the bike lane to enter campus.
 - DO NOT block the driveway if gates are still closed. If you arrive early, you will need to drive around the block until the gates open.

- Keep your child/children in the car until you reach the Drop-off/Pick-up point (see diagram above).
- Keep your "CLIC CARPOOL" card on your dashboard at all times. This will allow carpool staff to move the carpool lane efficiently.
 - DO NOT park on campus during carpool hours.
 - If you are picking students up early that normally stay for an afterschool program, you MUST notify the office at least 30 minutes prior to dismissal so that students are ready in carpool.
 - If you are picking students up early (siblings with later dismissal) you will need to park in the neighborhood and walk to the main pedestrian gate and request the student with the staff member outside.

- DO NOT request early dismissal students when you enter the carpool lane. You will be asked to leave the carpool lane and park in the neighborhood.
- Always be courteous, safe and follow the instructions of staff members.
 - Exit campus by turning Right onto Venice Blvd.

School Dismissal Changes

If your child will be going home with someone other than legal guardians, he/she will only be released to those listed as authorized pick-ups (non-emergency situations) and emergency contacts. Those listed as authorized pick-ups and emergency contacts will be required to provide picture identification.

During an Emergency: Children will only be released to legal guardians and emergency contacts. Picture identification will be required.

Early Pick-Up

Education Code 48260: “(a) A pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without a valid excuse three full days in one school year or tardy or absent for more than a 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, shall be classified as a truant and shall be reported to the attendance supervisor or to the superintendent of the school district.”

When requesting to pick-up your child(ren) before the end of the school day, please keep the following in mind:

- Only individuals listed as legal guardians, emergency contacts or authorized pick-up will be allowed to take your child home.
 - Individuals must provide a picture ID
 - Please contact the main office if someone other than yourself will pick-up your child early from school.
- Call the office 10 minutes prior to your arrival to CLIC so that we have your child ready to go when you arrive (it will take your child time to gather his/her belongings, especially if you pick them up during their recess, lunch or P.E.).
- Early dismissal students will not be dismissed along with students being picked up through carpool.
 - You will need to call the main office and request your child through the pedestrian main entrance
- Students will not be dismissed during the last 30 minutes of the school day unless you provide written proof of an event that qualifies as an “excused absence” based on City Charter School’s Attendance Policy (see page 60).

SchoolPass

All student dismissal changes must be made on SchoolPass before 1:00pm by the legal guardian. The following changes include:

- Moving your child to “carpool” – for students who are signed up to an after-school program (Vineyard, SouthSeas or Think Together) but will be picked up at dismissal.
 - Please note that you will need to inform the after-school program that your child will not attend.
- Moving your child to another carpool - your child will go home with another CLIC parent.

FAMILY AND CAREGIVER INVOLVEMENT

CLIC strives to create an environment that not only fosters volunteer efforts on behalf of the school, but also helps to foster the spirit of volunteerism in our students by promoting community engagement projects. We believe that students can reach their full potential when there is a high level of involvement by families. We encourage involvement in a partnership between home and school built on mutual respect. Caregivers should have high expectations of the school and of their children. In turn, the school has high expectations that

caregivers will contribute to the team-effort needed to fulfill the school's mission. While family participation is an essential element to the success of the educational process, it is important to make the distinction that CLIC is not a *parent-run* school. Operational, personnel, discipline, and educational decisions are the responsibility of the staff. Parents are encouraged to participate as a support team and in self-improvement programs and events that can enhance their children's home learning environment. However, while encouraged, parent volunteerism and participation are not a requirement for enrollment in or continued attendance at CLIC. Parent volunteer and participation opportunities will be regularly included in school communication and you can contact the main office for more information.

Visitors and Volunteers

The purpose of both the New LA Visitor Policy and the New LA Volunteer Policy is to ensure the safe and legal participation of parents on campus. The policy outlines procedures and expectations for parents when volunteering, chaperoning or visiting the campus. The full policy is available in the main office.

Supervision at Evening Events

CLIC does not provide supervision for students at evening events for parents. Parents who chose to bring students to parent-only or family events should prepare to monitor their children throughout the duration of the event.

Parent and Family Engagement Policy

CLIC aims to provide all students in our school a significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). CLIC staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of CLIC's complete Policy is available upon request in the main office.

CLIC Caregiver Groups

CLIC Parent Advisory Committee (PAC): The CLIC PAC is open to all parents and meets three times in the Spring to provide feedback on the school's LCAP. Additionally, the English Learner Parent Advisory Committee (EL-PAC) provides feedback specifically on issues pertaining to English Learners.

English Learner Advisory Committee (ELAC): The ELAC is an elected committee which meets 3 times a year to discuss supports and programs for English Learners at CLIC. Meetings are open to all parents and elections are held in the fall.

Parent Council: The City Language Immersion Charter Parent Council is responsible for supporting the school with regard to the daily tasks of ensuring the school's optimal functioning and growth. City Language Immersion Charter Parent Council is made up of the principal, parents, and teachers. Much like a Booster Club, City Language Immersion Charter Parent Council meets regularly to organize parents to help support the school. These efforts will include fundraising efforts, school spirit events and fostering caregiver and community engagement.

Expectations of Parents/Guardians/Family Members (Caregivers)

At CLIC, we believe that a collaborative partnership means that staff is responsive to the concerns of caregivers. In turn, caregivers have a responsibility to respect the professional experience and expertise of the staff. Your primary role as a caregiver is to assist and enhance the ability of the educational staff to conduct the school's

educational activities. Caregivers are expected to treat each member of the CLIC community with the greatest respect at all times, even in disagreement.

Home/School Partnership

At CLIC we value caregivers (parents, guardians and family members) as important partners to support the education of all students. This document outlines the various ways that you as a caregiver can partner with CLIC. It is always our goal to provide as much support as possible, if some of these commitments will be difficult for you we look forward to working together to find solutions and maximize our partnership.

Here are the ways you can partner with CLIC this year:

- Support my student to come to school and class prepared to learn (has materials, completes assignments, well rested, etc.)
- Be responsive to school and teacher contacts (answer/return phone calls and emails, complete forms, be available to meet or schedule a call as needed)
- Read all communication from the school (Friday email, flyers, etc.)
- Complete 10 hours of service (volunteer during or after school, donate food/materials for school events, prepare materials for classrooms/office)
- Attend conferences with my child's teacher twice a year (November and March)
- Attend Coffee with the Principal and other parent meetings to stay informed and have your voice heard
- Attend community events (back to school night, cultural celebration, winter festival, inquiry day, festival de las americas, etc.)
- Comply with school policies and discuss with your child as well (uniform, electronic devices/cell phones, parking and carpool, volunteer requirements, school safety, discipline, etc.)
- Reinforce the mission of CLIC at home and in the community (diversity, community, excellence)

Please note: Charter schools are prohibited from requiring a caregiver to perform volunteer service as a condition of their child's admission, continued enrollment, and/or participation in the school's educational activities, or otherwise discriminating against a student because their caregiver cannot, has not, or will not provide voluntary service to the school. While caregiver involvement is a critical key to student success, no student would ever be punished or lose their place at a school based on a caregiver's volunteer hours.

Instructional Program

Parents' Right to Know

The Every Student Succeeds Act ("ESSA") requires that, upon request, caregivers be notified of the professional qualifications of their child's teacher including:

- i. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- ii. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- iii. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.

- iv. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

A caregiver may also request information regarding the professional qualifications of a teacher assistant who provides services to their child.

For questions about this document or to make a request, please contact the main office at 323-737-3013 or xlira@newlosangeles.org.

Curriculum Overview

City Language Immersion Charter is a school grounded in dual-immersion and constructivist theory. Our commitment to constructivism and problem-based learning resides in our belief that learning best occurs when instruction is student-centered and presented in a meaningful context that is relevant to students' lives and the diverse experiences they bring with them to school. Our integrated curriculum allows teachers the time and flexibility to employ many different strategies and groupings and effectively implement the strategies for differentiated instruction, as necessary.

The Spanish Dual Immersion Program is designed to develop full bilingualism in both Spanish and English. English-speaking students and native Spanish speakers are taught together using both Spanish and English instruction to develop bilingual academic fluency. The program aims to:

- Develop bilingual proficiency and literacy in Spanish and English
- Promote academic achievement at or above grade level in both languages
- Foster positive cross-cultural attitudes in addition to increasing intercultural understandings
- Increase cognitive ability and intellectual flexibility

Dual language immersion, also known as Two-Way immersion, brings together native speakers of a "target" language, in this case Spanish, with native speakers of English, in the same classroom. The program begins in kindergarten and continues through fifth grade. The amount of English-language instruction increases as children progress through the grades. In kindergarten, 90% of the instruction is in Spanish and 10% is in English. Each year, the amount of English instruction increases by 10%. English-language instruction for this model typically reaches 50 percent by fifth grade. Parents do not need to be bilingual for their children to succeed in a dual-immersion program, and enrollment in such a program is always voluntary.

Spanish/English Language Instruction per grade level

- TK/Kinder 90%/10%
- 1st Grade 80%/20%
- 2nd Grade 70%/30%
- 3rd Grade 60%/40%
- 4th Grade 50%/50%
- 5th Grade 50%/50%

Animal Dissections

Students at New LA may perform animal dissections as part of the science curriculum. Any student who provides their teacher with a written statement, signed by their parent/guardian, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be

discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

Transcript Requests

Student transcripts will be processed within 72 hours after the request has been submitted. Transcripts will be granted to families with a zero balance for all school activities and lunches. If the student owes funds for lost or damaged school property (including loaned textbooks and other instructional materials), Charter School may withhold the student's transcripts until the damages have been paid. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's transcripts will be released

LAUSD School for Advanced Studies Applications

The principal will sign off on all applications for Schools for Advanced Studies. A signature will only be granted if the student has met one of the following criteria:

1. Designated as gifted or highly gifted by LAUSD; OR
2. Student received total national percentile scores of 85 or above on a District-approved standardized achievement test for the relevant school year OR
3. Students demonstrate the ability to meet ALL FOUR of the critical thinking and problem-solving skills (in primary language) below. Only students who scored grades of M or above in all classes during the year will be deemed to that meet the required skills:
 - a. Explain meanings or relationships among facts, information, or concepts that demonstrate depth and complexity.
 - b. Formulate new ideas or solutions and elaborate on the information.
 - c. Use alternative methods in approaching new or unfamiliar mathematical problems.
 - d. Use extensive vocabulary easily and accurately to express creative ideas.

Independent Study

In the event of illness or other qualifying long-term absence, independent study arrangements should be approved and coordinated through the front office. The full Independent Study Policy is available upon request from the front office.

ACADEMIC EXPECTATIONS AND SUPPORTS

Students at CLIC are college-bound scholars. Their primary purpose during school hours is to embrace their academic experience and develop a passion for learning.

Progress Reporting and Grading Scale

CLIC reports student progress on a trimester system. The reports are aligned to the Common Core State Standards, and reflect student progress in meeting the standards set by the State of California. The goal is that all students are meeting standards in each academic course by the end of the school year. Standards for each course are communicated on the progress report and indicated by the following letters:

- E—Excelling at standards
- M—Meeting standards
- A—Approaching standards
- D—Does not meet standards

Additionally, CLIC's focus is not just on grades but we are here to help your child learn how to be an excellent student. Our expectation is that you will work with us in supporting your student to:

- Take responsibility for their personal belongings, behavior, attendance, punctuality, and ability to work with others in-group situations.
- Take responsibility for classwork and homework assignments- submitting them in a timely manner and communicating to the teacher when they need extra time, support, assistance, etc. with their work.
- Self-advocate by speaking respectfully and directly to teachers when they have problems/concerns that need to be addressed.
- Be compassionate, respectful, and supportive to peers in the class that are working on their own academic, social, and emotional growth areas. Part of their growth as students is to contribute to the overall classroom and school community by accepting and embracing others across lines of difference.

Student Retention

It is the school's intent to meet the academic needs of all students throughout the school year with on-going intervention support. Social/emotional needs will be met through social/emotional curriculum implemented in the classroom. The decision to retain a student will involve a series of collaborative meetings with the teacher, grade level leaders, assistant principal, principal, and the student's caregivers. The decision will be up to the caregiver. Factors impacting this decision will include: grades, test scores, teacher feedback, student retention history, age, emotional maturity, physical maturity, RSP, and support provided during the year.

Retention Process

Trimester 1: At the end of Trimester 1, a team consisting of the principal and teacher leaders will use data to determine if there are students who might be in danger of failing, including previous year's benchmark or standardized test scores, progress report grades and skill assessments, and teacher feedback.

The lead teacher will submit an SSPT referral for all at-risk students. After the child's conference, the principal will meet with the caregiver(s) to express concern and schedule the SSPT meeting. During the SSPT process, the caregiver(s), teachers, and administrator will create a support plan. This plan will include classroom accommodations and intervention support.

Trimester 2: At the end of Trimester 2, the principal will meet with teacher leaders to review progress for at-risk students. The principal will then review the child's case and consider all retention factors. If the child would benefit from retention the teachers and principal will hold a meeting with the caregiver(s) to discuss a plan for Trimester 3. The possibility of retention will be addressed at the meeting, and the decision will be entirely up to the caregiver(s). If not already implemented the student will be entered into the Tier 2 intervention program at this point.

Trimester 3: Within 4 weeks of the end of the school year the principal and teachers will review the student progress. If they feel the child will benefit from retention, they will meet with the caregiver(s) to conduct the retention referral process, a final determination will be made by the caregiver(s) and recorded at this meeting.

Student Support and Progress Team (SSPT) Process

New LA has an established Student Success and Progress Team (SSPT) that meets with the caregiver(s) of students with academic, behavioral or social emotional concerns that are not resolved by initial interventions in the classroom. This team, composed of the referring classroom teacher, an administrator, other relevant staff, and the caregiver(s), explores the concerns and develops and implements an action plan to target the specific needs of the student. A follow-up meeting will be scheduled to assess whether interventions proposed by the team have been successful and to determine next steps. Parents who have concerns about their child's

academics, behavior or social emotional well-being should address those concerns to the child's teacher or advisor.

Throughout each trimester, a team consisting of an administrator and grade level coordinators will use data to determine if there are students who might be in danger of failing, including previous year's standardized test scores, progress report grades and skill assessments, and teacher feedback.

After discussion with Administration, a teacher will submit an SSPT referral for all at-risk students. The SSPT Coordinator will reach out to the caregiver(s) to express concern and schedule the SSPT meeting. During the SSPT process, the caregiver(s), teachers, resource specialist, assistant principal and principal will create a support plan with actions and goals for improvement. This plan will include classroom accommodations and intervention supports. A follow up meeting will be set to check progress.

At the end of six weeks, the SSPT team including the family will hold a follow up meeting to review the goals and any progress achieved. The SSPT team will review the child's case and consider all factors to determine if (1) the child can be dismissed from the process, (2) updated goals are necessary or (3) referral for additional assessment is appropriate.

TK Promotion Policy

It is the school's intent to meet students' needs for a challenging academic environment in all grade levels. Some transitional kindergarten students master the kindergarten curriculum in just one year rather than the typical two-year TK program and may be eligible for promotion to 1st Grade at the end of the year. It is important to note that this is a rare occurrence. Factors impacting this decision will include: grades, test scores, teacher feedback, age, emotional maturity, physical maturity, RSP, and supports provided during the year. The policy and procedures used to promote a student from Transitional Kindergarten directly to 1st grade are the same as the process described above to retain a student. However the decision to promote lies with the school not the caregiver, however if the school wants to promote the caregiver can refuse.

Homework/Home Connection Activities

City Language Immersion Charter does not assign traditional homework in grades Tk-2nd. We assign homework minimally in grades 3rd-5th. We believe that young children should have time outside the school day to play, participate in extracurricular activities, and be kids. Students work very hard during the day and should be sure to stimulate their brains outside the classroom in a variety of ways. CLIC does not believe that this can be accomplished through traditional homework. We do expect learning to continue at home and will support families in facilitating home connection learning activities including but not limited to the following:

- Daily reading
- Math games
- Counting
- Family conversations about learning
- Projects
- Skills practice

English Learners

The Charter School is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. The Charter School will meet all applicable legal requirements for English Learners as they pertain to annual notification to caregivers, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. The Charter School will

implement policies to assure proper placement, evaluation, and communication regarding English Learners and the rights of students and parents.

Withdrawing a Student from CLIC

Anytime a student needs to be withdrawn from enrollment at CLIC, please contact the office as soon as possible. You will be provided with a CLIC Withdrawal Form so that we can exit the student from our system and the new school of enrollment can claim the student.

Student cumulative records will be sent via mail once a student request is received from the new school.

STUDENT HEALTH & SAFETY

Availability of Health Insurance

Children—regardless of immigration status (foster youth, pregnant women, and legally present individuals, including those with deferred action for childhood arrivals [“DACA”] status) may be eligible for no- or low-cost Medi-Cal insurance. Medi-Cal covers immunizations, checkups, specialists, vision and dental services, and more for children and youth at no- or low-cost. Medi-Cal enrollment is available year-round.

Covered California is where legal residents of California can compare quality health plans and choose the one that works best for them. Based on income and family size, many Californians may qualify for financial assistance. Enroll during Open Enrollment or any time you experience a life-changing event, like losing your job or having a baby. You have sixty (60) days from the event to complete enrollment. Information regarding the availability of insurance is provided with enrollment forms and available at:

[http://hbex.coveredca.com/toolkit/PDFs/ALL IN Flyer EnrollGetCareRenew CC.pdf](http://hbex.coveredca.com/toolkit/PDFs/ALL_IN_Flyer_EnrollGetCareRenew_CC.pdf)

New LA shall not discriminate against a student who does not have health care coverage or use any information relating to a student’s health care coverage or interest in learning about health care coverage in any manner that would bring harm to the student or the student’s family.

Panorama Stakeholder Engagement Survey

New LA will administer the Panorama Stakeholder Engagement Survey to students in grades three through five at least once a year. The Panorama Survey is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables New LA to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

Mental Health Services

CLIC recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at CLIC and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

At CLIC we believe in teaching students with a holistic approach. This requires looking at the whole child and may include addressing mental health concerns as a means to understanding behavior or academic needs. We want all students to feel supported socially and emotionally at school and beyond.

Oral Health Assessment

Students enrolled in kindergarten in a public school or while enrolled in first grade if the student was not previously enrolled in kindergarten in a public school are required to have an oral health assessment completed by a dental professional. Please contact the main office if you have questions about this requirement.

Physical Examinations and Right to Refuse

All students are to have completed a health screening examination on or before the 90th day after the student’s entrance into first grade or such students must have obtained a waiver pursuant to Health and Safety Code Sections 124040 and 124085. This examination can be obtained from your family physician or possibly through the services provided by your County Health Department. Information and forms are distributed to students enrolled in kindergarten. If your child’s medical status changes, please provide the teacher with a physician’s written verification of the medical issue, especially if it impacts in any way your child’s ability to perform schoolwork.

A parent/guardian having control or charge of any child enrolled in CLIC may file annually with the Principal of the school in which the child is enrolled a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

Illness

Although our staff are trained in first aid and CPR, there is no school nurse at CLIC. Since CLIC does not have a sick bay or adequate staff to care for sick students, any student not well enough to participate in the classroom or who exhibits symptoms of illness will be sent home. This is not only in the best interest of the student, but serves as protection for the other students as well. Before returning to school, your child should be fever free for at least 24 hours (including low-grade). Your child is contagious when running a fever.

CLIC will adhere to all safety protocols contained in state and local department of health guidance regarding management of infectious disease, including but not limited to COVID-19.

Immunizations

California schools are required to check immunization records for all new student admissions at TK/Kindergarten through 12th grade and all students advancing to 7th grade before entry. Any student who does not have a complete vaccination record or whose vaccines are overdue will be excluded from attendance resulting in unexcused absences which will count toward trancies.

- Update the immunization information in the pupil's record.

Injuries

If your child sustains any type of major injury (e.g., a broken bone), a note from your doctor is required before your child may return to school. Students needing any supportive appliances (crutches, cast, wheelchair, etc.) must also have a written order from the prescribing physician. Call the office for details. Children with casts and splints are not allowed to participate in physical education activities, but alternative activities are arranged until the cast or splint is removed.

No Tobacco and No Controlled Substances

The goal of the CLIC Tobacco/Controlled Substances Policy is to ensure that our school is drug and alcohol free. CLIC is a tobacco, alcohol, and drug free campus. Possession, use, purchase or sale of tobacco or any controlled substance on campus or at a school-sponsored activity is not allowed.

- Students must turn in all prescriptions and medications to the front office for proper administration.
- Student belongings are subject to search by school officials under the LAUSD Random Search Policy.
- Students in violation of the No Tobacco and No Controlled Substances Policy will be subject to consequences including suspension and expulsion, and will be advised to participate in counseling.
- Students under the influence of any controlled substance while on campus or at a school-sponsored event will be subject to consequences including suspension and expulsion.

In the best interest of students, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, students, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from Charter School.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Principal or designee shall inform students, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, Charter School will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property.

Prescription Medications

Students requiring prescription medications and other medicines during school hours will be accommodated. Parents must submit a "REQUEST FOR MEDICATION TO BE TAKEN DURING SCHOOL HOURS" form completed by the physician and bring the medication to the office in the original containers, with the name of the prescribing physician, the name of the student, and dispensing instructions. Parents will complete the appropriate form authorizing school staff to administer medication. Designated staff will put medications in a locked cabinet or refrigerator as needed for medications requiring refrigeration. Designated staff will log times for administering medications for each student and will establish a tickler system to ensure that medications are dispensed at the appropriate times. Designated staff will call students to receive medications at the appropriate times. In cases where medications are long-term prescriptions, designated staff will provide parents with one week's notice to alert them that additional medication is needed.

All medications must be stored at school in the original prescription bottle, labeled with dosage instructions, and be administered in the office. No student may carry his or her own medication or take medication unsupervised.

If your child takes medication regularly during non-school hours, you should leave a short-term supply in the office in the event that your child needs to take it in an emergency. Please fill out the Medication Request Form and label it in red "For Emergency Use Only."

Transportation Safety

All students who are transported in a school bus or school student activity bus shall receive instruction in school bus emergency procedures and passenger safety. A copy of the complete Policy is available upon request at the main office.

School Safety Plan

New LA has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office.

Human Trafficking Prevention

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. Charter School believes it is a priority to inform our students about (1) prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, Charter School will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. You can opt out by submitting your intention in writing to the principal or an opt-out form can be made available in the front office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

Meal Program & Healthy Choices During School Hours

CLIC is a participant in the National School Lunch Program, and as such, offers daily lunches to students compliant with program regulations. Families may qualify for Free or Reduced Price lunches based on income or enrollment in certain state programs (CalWORKS, SNAP, TANF, Kin-Gap, or FDPIR), and are encouraged to apply for benefits. The application is available in the office and will be emailed to families prior to the first day of school.

We at City Language Immersion Charter believe in educating the whole child. One aspect of holistic education is teaching healthy lifestyle choices. Good nutrition is vital to a child's physical, emotional, and academic development. It is important that those concerned about the wellness of our children spread a common message to the community, that a child's healthy body and mind has a foundation in the food and beverage choices available and made both at school and elsewhere.

At CLIC, we encourage healthy eating by:

- Working closely with our hot lunch provider to ensure that there will be balanced meals on a daily basis
- Encouraging parents to send snacks and lunches that are healthy, including:
 - Fresh fruits and vegetables, protein, complex carbohydrates
 - Limited refined sugar, trans fats, and artificial sweeteners
- Asking that students not bring soda, chips or candy to school

We realize that it is unrealistic and unnecessary to prohibit all food with sugar. There are times when teachers and students will want to have class celebrations. For these celebrations, we ask that parents:

- Gain consent from their child's teacher before bringing any food items into the classroom
- Inform teachers of any food allergies or restrictions

Here are some tips to help improve nutrition and encourage smart eating habits at home:

1. Have regular family meals
2. Serve a variety of healthy foods and snacks.
3. Be a role model by eating healthy yourself
4. Avoid battles over food

5. Involve kids in the process of buying and preparing food

We appreciate your participation in contributing to a healthy community! To see a copy of New Los Angeles Charter School's full Wellness Policy, please contact the office or access it on our website.

School and Classroom Behavioral Expectations

A critical component of being a member of our school community is adhering to the high behavioral expectations City Language Immersion Charter has established in order to create an atmosphere of academic excellence, as well as social and emotional safety.

Incorporating our Community values into all aspects of our lives includes ensuring that City Language Immersion Charter students are accountable to themselves, their peers, and their school community.

City Language Immersion Charter is a physically, cognitively, and emotionally safe learning environment. Inherent in all aspects of our curriculum is a commitment to creating and maintaining a school culture that embodies the following community values, which students will discuss and explore at school:

Commitment, communication, creativity, empathy, hard work, honesty, integrity, perseverance, respect, and responsibility.

CONDUCT AND BEHAVIOR

Academic Integrity

The goal of the CLIC Academic Integrity Code is to ensure that all students have the opportunity to discover their passion for learning and uphold ethical academic standards. CLIC expects all students to abide by ethical academic standards. The Policy covers all school-related tests, quizzes, reports, class assignments, and projects, both in and out of class.

- Plagiarism is presenting somebody else's ideas, words or work as one's own.
- Cheating includes copying or giving an assignment to a student to be copied (unless explicitly permitted by the teacher). Cheating also includes using, supplying, or communicating in any way unauthorized materials, including textbooks, notes, calculators, computers or other unauthorized technology, during an exam or project.

- Brandishing a knife
- Selling controlled substances
- Committing or attempting to commit sexual assault or battery

Students who violate the Safe Schools Code will be automatically suspended for five days and may be recommended for expulsion.

Behavioral Consequences [NOT including Suspension or Expulsion]

CLIC teachers and staff may assign a variety of consequences for behavioral infractions and violation of school rules, based on the nature and severity of the offense. These consequences may include:

1. Phone call/email/letter home
2. Written reflection
3. Parent/teacher conference
4. Behavioral contract
5. Loss of privileges (social events, field trips)
6. Saturday School
7. Conflict mediation

8. Discussion circle
9. After School detention [at the discretion of the teacher and not to exceed one (1) hour after the end of the regular school day.

CLIC is committed to using restorative practices such as discussion circles and conflict mediation as ways to help students learn from poor choices. These practices are intended to complement our progressive discipline policies and will be implemented whenever possible.

Suspension and Expulsion

New LA teachers and staff make every effort to help students understand and accept the responsibility for making choices that are not aligned with the expectations for student behavior. When a student chooses to engage in behaviors that are not in line with the mission of the school, New LA may need to implement suspension or expulsion procedures. The full Suspension and Expulsion Policy is available in the Charter on the school's website and in the main office.

New LA recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of New LA. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by New LA. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Director of Special Education and Student Services. A copy of New LA's Section 504 policies and procedures is available upon request at the main office.

This includes children who are the subject of cases in dependency court and juvenile justice court.
2. "Former juvenile court school pupils" refers to a student who, upon completion of the student's second year of high school, transfers from a juvenile court school to New LA.
3. "Child of a military family" refers to a student who resides in the household of an active duty military member.
4. "Currently Migratory Child" refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to New LA from another Local Educational Agency ("LEA"), either within California or from another state, in order that the child or a member of the child's immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child's eligibility for migrant education services. "Currently Migratory Child" includes a child who, without the parent/guardian, has continued to migrate annually to secure temporary or seasonal employment in an agricultural or fishing activity.
5. "Pupil participating in a newcomer program" means a pupil who is participating in a program designed to

meet the academic and transitional needs of newly arrived immigrant pupils that has as a primary objective the development of English language proficiency.

Within this notice, foster youth, former juvenile court school pupils, a child of a military family, a currently migratory child, and a pupil participating in the newcomer program will be collectively referred to as “Foster and Mobile Youth.” Within this notice, a parent, guardian, or other person holding the educational rights for a Foster and Mobile Youth will be referred to as a “parent.”

Foster and Mobile Youth Liaison: The Chief Executive Officer or designee designates the following staff person as the Liaison for Foster and Mobile Youth:

Rosa Manzo
Assistant Principal
4001 Venice Blvd., Los Angeles, CA 90019
rmanzo@newlosangeles.org
323-737-3013

The Foster and Mobile Youth Liaison’s responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

School Stability: New LA will work with foster youth and their parent to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth’s education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. New LA will immediately enroll a foster youth, currently migratory child or child of a military family seeking re enrollment in New LA as the student’s school of origin (subject to New LA’s capacity and pursuant to the procedures stated in New LA’s charter and Board policy). If a dispute arises regarding a foster youth’s request to remain in New LA as the school of origin, the foster youth has the right to remain in New LA pending the resolution of the dispute. New LA will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to New LA (subject to New LA’s capacity and pursuant to the procedures stated in New LA’s charter and Board policy) regardless of the student’s ability to meet normal enrollment documentation or uniform requirements (e.g. producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child’s status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student’s status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

Acceptance of Course Work: New LA will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

New LA will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, New LA shall not require the student to retake the portion of the course the student completed unless New LA, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

Student Records: When New LA receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency (“LEA”), New LA shall provide these student records within two (2) business days. New LA shall compile the complete educational record of the pupil, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the pupil’s special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

New LA shall not lower a foster youth’s grades as a result of the student’s absence due to a verified court appearance, related court ordered activity, or a change in the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left New LA.

In accordance with New LA’s Educational Records and Student Information Policy, under limited circumstances, New LA may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parental consent.

Discipline Determinations: If New LA intends to extend the suspension of any foster/ youth pending a recommendation for expulsion, New LA will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If New LA intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, New LA will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

Complaints of Noncompliance: A complaint of noncompliance with any of the requirements outlined above may be filed through New LA’s Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

Availability of Complete Policy: For any Foster and Mobile Youth who enrolls at New LA, a copy of New LA's complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

The Charter School acknowledges and respects every individual's rights to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects (to the greatest extent reasonably possible and as permitted by law) confidentiality of the parties, including but not limited to the identity of the complainant, and maintains the integrity of the process. Charter School cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, Charter School will attempt to do so as appropriate. Charter Schools may find it necessary to disclose information regarding the complaint/complainant to the extent required by law or necessary to carry out the investigation or proceedings, as determined by the Executive Director or designee on a case-by-case basis. Charter Schools shall ensure that complainants are protected from retaliation.

The Governing Board designates the following compliance officer(s) to receive and investigate complaints and to ensure the Charter School's compliance with law:

Brooke Rios, Chief Executive Officer
New Los Angeles Charter School
1919 S. Burnside Ave.
Los Angeles, CA 90016
323-939-6400

Only complaints regarding pupil fees or LCAP compliance may be filed anonymously and only if the anonymous complainant provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees or LCAP.

Complaints alleging unlawful discrimination, harassment, intimidation, or bullying, must be filed within six (6) months from the date the alleged discrimination, harassment, intimidation, or bullying, occurred or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation, or bullying. All other complaints under the UCP shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which Charter School's Board of Directors approved the LCAP or the annual update was adopted by Charter School.

The Compliance Officer responsible for investigating the complaint shall conduct and complete the investigation in accordance with California regulations and in accordance with Charter School's UCP Policy. The Compliance Officer shall provide the complainant with a final written investigation report ("Decision") within sixty (60) calendar days from Charter School's receipt of the complaint. This sixty (60) calendar day time period may be extended by written agreement of the complainant.

The complainant has a right to appeal Charter School's Decision to the California Department of Education ("CDE") by filing a written appeal within thirty (30) calendar days of the date of New LA's written Decision, except if Charter School has used its UCP to address a complaint that is not subject to the UCP requirements. The appeal must include a copy of the complaint filed with Charter School, a copy of Charter School's Decision, and the complainant must specify and explain the basis for the appeal of the Decision, including at least one of the following:

1. Charter School failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, Charter School's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in Charter School's Decision are not supported by substantial evidence.
4. The legal conclusion in Charter School's Decision is inconsistent with the law.
5. In a case in which Charter School's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

A complainant who appeals Charter School's Decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.

Within thirty (30) calendar days of the date of the CDE’s appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction (“SSPI”) or the SSPI’s designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE’s appeal Decision.

If a UCP complaint is filed directly with the CDE and the CDE determines that it merits direct intervention, the CDE shall complete an investigation and provide a written decision to the complainant within sixty (60) calendar days of receipt of the complaint, unless the parties have agreed to extend the timeline or the CDE documents exceptional circumstances and informs the complainant.

If Charter School finds merit in a UCP complaint, or the CDE finds merit in an appeal, Charter School shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of Charter School’s complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if New LA has appropriately, and in a timely manner, apprised the complainant of the complainant’s right to file a complaint in accordance with 5 CCR § 4622.

A copy of the full UCP shall be available upon request free of charge in the main office and on the school’s website. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the UCP, please contact the Main Office.

Communication Policy

Parent Communication

Although we feel strongly that communication is important at our school, please do not "drop in" immediately before or after school, without an appointment, to talk to the teachers. Teachers will be busy with student-related duties during these times and will not be able to give you the time and attention you deserve.

Parents who wish to speak to a teacher should email the teacher or call the school to leave a message for the teacher. Teachers should respond to all parents within 24 hours to set up a meeting or a phone conversation. If a situation is urgent, please call the office for immediate assistance. Furthermore, parents who have a concern with regard to a teacher are asked to address this concern directly with the teacher in a calm and thoughtful manner. If further assistance is necessary after the initial contact with the teacher, the parent may ask the principal for help in addressing the situation.

School Communication

CLIC maintains a database of current information such as home address, telephone numbers and emergency contacts for each student. It is essential that this information be kept up to date so that the school can contact parents when there is a need. Each year, upon re-enrollment, parents receive a student data sheet for each child with the current information listed in the database. **It is the parents' responsibility to update this form and to keep the school informed of any changes as they occur.** Please contact the office with updates or changes of address, phone number, email, emergency contacts or medical information.

Communication avenues may include:

- School Newsletter – weekly
- Classroom newsletters - monthly
- School Website- www.citycharterschools.org/CLIC
- CLIC Parent Council meetings - monthly
- Coffee with the Principal – monthly
- Comité Hispanohablante – monthly

Classroom Communication

Parents may be able to reach their child during the school day if it is an emergency. Call the office and we will relay the message. The policy is not to interrupt the learning process. Children will not be permitted to have cell phones at school or to call home on a casual basis. They will be permitted to call home from the office in cases of emergencies and illness.

ParentSquare – Class Lists and Family Directory

The directory is prepared for CLIC Parents. Any and all information in the directory is voluntary. Please respect the privacy of the families listed herein. Refrain from sharing the information contained in the roster for charitable, political or commercial use.

Federal Educational Rights and Privacy Act (FERPA) Directory Information “OPT-OUT” Notice

State and federal law allow directory information to be disclosed to any requestors, except those who intend to use the information for commercial purposes. However, this school's policy is to not release directory information to any requestor, for any purpose without specific prior parent/guardian consent in each situation, EXCEPT we will release such information to requestors that engage in political advocacy or information dissemination related to California charter schools.

If you do not want City Language Immersion Charter to disclose your contact and other directory information from your child's records to such persons or entities without your prior written consent, you must notify us in writing.

City Language Immersion Charter has designated the following information as directory information:

PROFESSIONAL BOUNDARIES: STAFF/STUDENT INTERACTION POLICY

Adopted/Ratified: August 1, 2020

Revision Date: August 1, 2020

Employee Code of Conduct

Employees are expected to conduct themselves at all times in a manner consistent with the highest standards of personal character and professionalism with children, parents, prospective parents, co-workers and the community. Attitudes are the most important facet of each employee's presentation of the School to the public. Employees must be courteous, tactful, and pleasant at all times, treating the most unpleasant people as well as we treat our most pleasant ones. No staff member is expected to take abuse from anyone. Abusive treatment should be referred to the Executive Director or Principal immediately.

New LA recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

A. Examples of PERMITTED actions (NOT corporal punishment)

1. Stopping a student from fighting with another student;
2. Preventing a pupil from committing an act of vandalism;
3. Defending yourself from physical injury or assault by a student;
4. Forcing a pupil to give up a weapon or dangerous object;
5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.

B. Examples of PROHIBITED actions (corporal punishment)

1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term "boundaries" is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member's perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

Examples of Specific Behaviors

The following examples are not an exhaustive list:

Unacceptable Staff/Student Behaviors (Violations of this Policy)

SUICIDE PREVENTION POLICY

Board Policy #: 1003

Adopted/Ratified: Oct. 12, 2020

Revision Date: Oct. 11, 2021

The Board of Directors of New Los Angeles Charter School (“New LA” or the “Charter School”) recognizes that suicide is a major cause of death among youth and should be taken seriously. To attempt to reduce suicidal behavior and its impact on students and families, the Board of Directors has developed prevention strategies and intervention procedures.

In compliance with Education Code section 215, this policy has been developed in consultation with New LA and community stakeholders, mental health professionals(e.g. school counselors, psychologists, social workers, nurses), , administrators, other school staff members, parents/guardians/caregivers, students, local health agencies and professionals, the county mental health plan, law enforcement, and community organizations in planning, implementing, and evaluating New LA’s strategies for suicide prevention and intervention. New LA must work in conjunction with local government agencies, community-based organizations, and other community supports to identify additional resources.

To ensure the policies regarding suicide prevention are properly adopted, implemented, and updated, New LA shall appoint an individual (or team) to serve as the suicide prevention point of contact for New LA. The suicide prevention point of contact for New LA and the Head of Schools shall ensure proper coordination and consultation with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary. This policy shall be reviewed and revised as indicated, at least annually in conjunction with the previously mentioned community stakeholders.

Staff Development

New LA, along with its partners, has carefully reviewed available staff training to ensure it promotes the mental health model of suicide prevention and does not encourage the use of the stress model to explain suicide.

Training shall be provided for all school staff members. It may also be provided, when appropriate, for other adults on campus (such as substitutes and intermittent staff, volunteers, interns, tutors, coaches, and afterschool staff). Training shall include the following:

1. All suicide prevention trainings shall be offered under the direction of mental health professionals (e.g., school counselors, school psychologists, other public entity professionals, such as psychologists or social workers) who have received advanced training specific to suicide. Staff training may be adjusted year-to-year based on previous professional development activities and emerging best practices.
2. At least annually, all staff shall receive training on the risk factors and warning signs of suicide, suicide prevention, intervention, referral, and postvention.
3. At a minimum, all staff shall participate in training on the core components of suicide prevention (identification of suicide risk factors and warning signs, prevention, intervention, referral, and

postvention) at the beginning of their employment or annually. Core components of the general suicide prevention training shall include:

- a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the youth who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and an immediate referral for a suicide risk assessment.
 - d. Emphasis on immediately referring (same day) any student who is identified to be at risk of suicide for assessment while staying under constant monitoring by staff member.
 - e. Emphasis on reducing stigma associated with mental illness and that early prevention and intervention can drastically reduce the risk of suicide.
 - f. Reviewing the data annually to look for any patterns or trends of the prevalence or occurrence of suicide ideation, attempts, or death. Data from the California School Climate, Health, and Learning Survey (Cal-SCHLS) should also be analyzed to identify school climate deficits and drive program development. See the Cal-SCHLS Web site at <http://cal-schls.wested.org/>.
 - g. Information regarding groups of students judged by the school, and available research, to be at elevated risk for suicide. These groups include, but are not limited to, the following:
 - i. Youth affected by suicide.
 - ii. Youth with a history of suicide ideation or attempts.
 - iii. Youth with disabilities, mental illness, or substance abuse disorders.
 - iv. Lesbian, gay, bisexual, transgender, or questioning youth.
 - v. Youth experiencing homelessness or in out-of-home settings, such as foster care.
 - vi. Youth who have suffered traumatic experiences.
4. In addition to initial orientations to the core components of suicide prevention, ongoing annual staff professional development for all staff may include the following components:
- a. The impact of traumatic stress on emotional and mental health.
 - b. Common misconceptions about suicide.
 - c. Charter School and community suicide prevention resources.
 - d. Appropriate messaging about suicide (correct terminology, safe messaging guidelines).
 - e. The factors associated with suicide (risk factors, warning signs, protective factors).
 - f. How to identify youth who may be at risk of suicide.
 - g. Appropriate ways to interact with a youth who is demonstrating emotional distress or is suicidal. Specifically, how to talk with a student about their thoughts of suicide and (based on New LA guidelines) how to respond to such thinking; how to talk with a student about thoughts of suicide and appropriately respond and provide support based on New LA guidelines.
 - h. Charter School-approved procedures for responding to suicide risk (including multi-tiered systems of support and referrals). Such procedures should emphasize that the suicidal student should be constantly supervised until a suicide risk assessment is completed.
 - i. Charter School-approved procedures for responding to the aftermath of suicidal behavior (suicidal behavior postvention).
 - j. Responding after a suicide occurs (suicide postvention).
 - k. Resources regarding youth suicide prevention.

- l. Emphasis on stigma reduction and the fact that early prevention and intervention can drastically reduce the risk of suicide.
- m. Emphasis that any student who is identified to be at risk of suicide is to be immediately referred (same day) for assessment while being constantly monitored by a staff member.

Employee Qualifications and Scope of Services

Employees of New LA must act only within the authorization and scope of their credential or license. While it is expected that school professionals are able to identify suicide risk factors and warning signs, and to prevent the immediate risk of a suicidal behavior, treatment of suicidal ideation is typically beyond the scope of services offered in the school setting. In addition, treatment of the mental health challenges often associated with suicidal thinking typically requires mental health resources beyond what schools are able to provide.

Parents, Guardians, and Caregivers Participation and Education

1. Parents/guardians/caregivers may be included in suicide prevention efforts. At a minimum, the Charter School shall share this Policy with parents/guardians/caregivers by notifying them where a complete copy of the policy is available.
2. This Suicide Prevention Policy shall be easily accessible and prominently displayed on the New LA Web page and included in the family handbook.
3. Parents/guardians/caregivers should be invited to provide input on the development and implementation of this policy.
4. All parents/guardians/caregivers may have access to suicide prevention training that addresses the following:
 - a. Suicide risk factors, warning signs, and protective factors.
 - b. How to talk with a student about thoughts of suicide.
 - c. How to respond appropriately to the student who has suicidal thoughts. Such responses shall include constant supervision of any student judged to be at risk for suicide and referral for an immediate suicide risk assessment.
5. A Suicide Prevention Guide for Parents is a booklet that contains useful information for parents/guardians/caregivers who are concerned that their children may be at risk for suicide. It is available from Suicide Awareness Voices of Education (SAVE). See the SAVE Web page at <https://www.save.org/product/parents-as-partners/>

Student Participation and Education

Messaging about suicide has an effect on suicidal thinking and behaviors. Consequently, New LA along with its partners has carefully reviewed and will continue to review all materials and resources used in awareness efforts

to ensure they align with best practices for safe messaging about suicide. Suicide prevention strategies may include, but not be limited to, efforts to promote a positive school climate that enhances students' feelings of connectedness with New LA and is characterized by caring staff and harmonious interrelationships among students.

New LA's instructional and student support program shall promote the healthy mental, emotional, and social development of students including, but not limited to, the development of problem-solving skills, coping skills, and resilience. The instruction shall not use the stress model to explain suicide.

New LA's instructional curriculum may include information about suicide prevention, as appropriate or needed. If suicide prevention is included in the Charter School's instructional curriculum, it shall consider the grade level and age of the students and be delivered and discussed in a manner that is sensitive to the needs of young students. Under the supervision of an appropriately trained individual acting within the scope of her/his credential or license, students shall:

1. Receive developmentally appropriate, student-centered education about the warning signs of mental health challenges and emotional distress. The content of the education may include:
 - a. Coping strategies for dealing with stress and trauma.
 - b. How to recognize behaviors (warning signs) and life issues (risk factors) associated with suicide and mental health issues in oneself and others.
 - c. Help-seeking strategies for oneself and others, including how to engage school-based and community resources and refer peers for help.
 - d. Emphasis on reducing the stigma associated with mental illness and the fact that early prevention and intervention can drastically reduce the risk of suicide.
2. Receive developmentally appropriate guidance regarding New LA's suicide prevention, intervention, and referral procedures.

Student-focused suicide prevention education can be incorporated into classroom curricula (e.g., health classes, orientation classes, science, and physical education).

New LA will support the creation and implementation of programs and/or activities on campus that raise awareness about mental wellness and suicide prevention (e.g., Mental Health Awareness Week, Peer Counseling, Freshman Success, and National Alliance on Mental Illness on Campus High School Clubs).

Intervention and Emergency Procedures

New LA designates the following administrators to act as the primary and secondary suicide prevention liaisons:

1. Assistant Principal
2. Principal

Whenever a staff member suspects or has knowledge of a student's suicidal intentions, they shall promptly notify the primary designated suicide prevention liaison. If this primary suicide prevention liaison is unavailable, the staff shall promptly notify the secondary suicide prevention liaison.

The suicide prevention liaison shall immediately notify the Principal or designee, who shall then notify the student's parent/guardian as soon as possible if appropriate and in the best interest of the student. Determination of notification to parents/guardians/caregivers should follow a formal initial assessment to ensure that the student is not endangered by parental notification.

The suicide prevention liaison shall also refer the student to mental health resources at New LA or in the community.

When a student is in imminent danger (has access to a gun, is on a rooftop, or in other unsafe conditions), a call shall be made to 911.

When a suicide attempt or threat is reported on campus or at a school-related activity, the suicide prevention liaison shall, at a minimum:

1. Ensure the student's physical safety by one or more of the following, as appropriate:
 - a. Securing immediate medical treatment if a suicide attempt has occurred.
 - b. Securing law enforcement and/or other emergency assistance if a suicidal act is being actively threatened.
 - c. Keeping the student under continuous adult supervision until the parent/guardian and/or appropriate support agent or agency can be contacted and has the opportunity to intervene.
 - d. Remaining calm, keeping in mind the student is overwhelmed, confused, and emotionally distressed.
 - e. Moving all other students out of the immediate area.
 - f. Not sending the student away or leaving him/her alone, even to go to the restroom.
 - g. Providing comfort to the student, listening and allowing the student to talk and being comfortable with moments of silence.
 - h. Promising privacy and help, but not promising confidentiality.
2. Document the incident in writing as soon as feasible.
3. Follow up with the parent/guardian and student in a timely manner to provide referrals to appropriate services as needed and coordinate and consult with the county mental health plan if a referral is made for mental health or related services on behalf of a student who is a Medi-Cal beneficiary.
4. After a referral is made, New LA shall verify with the parent/guardian that the follow up treatment has been accessed. Parents/guardians will be required to provide documentation of care for the student. If parents/guardians refuse or neglect to access treatment for a student who has been identified to be at risk for suicide or in emotional distress, the suicide prevention liaisons shall meet with

the parent to identify barriers to treatment (e.g., cultural stigma, financial issues) and work to rectify the situation and build understanding of care. If follow up care is still not provided, New LA may contact Child Protective Services.

5. Provide access to counselors or other appropriate personnel to listen to and support students and staff who are directly or indirectly involved with the incident at New LA.
6. Provide an opportunity for all who respond to the incident to debrief, evaluate the effectiveness of the strategies used, and make recommendations for future actions.

In the event a suicide occurs or is attempted on the New LA campus, the suicide prevention liaison shall follow the crisis intervention procedures contained in New LA's safety plan. After consultation with the Principal or designee and the student's parent/guardian about facts that may be divulged in accordance with the laws governing confidentiality of student record information, the Principal or designee may provide students, parents/guardians, and staff with information, counseling, and/or referrals to community agencies as needed. New LA staff may receive assistance from counselors or other mental health professionals in determining how best to discuss the suicide or attempted suicide with students.

In the event a suicide occurs or is attempted off the New LA campus and unrelated to school activities, the Principal or designee shall take the following steps to support the student:

1. Contact the parent/guardian and offer support to the family.
2. Discuss with the family how they would like New LA to respond to the attempt while minimizing widespread rumors among teachers, staff, and students.
3. Obtain permission from the parent/guardian to share information to ensure the facts regarding the crisis are correct.
4. The Executive Director shall handle any media requests.
5. Provide care and determine appropriate support to affected students.
6. Offer to the student and parent/guardian steps for re-integration to school. Re-integration may include obtaining a written release from the parent/guardian to speak with any health care providers; conferring with the student and parent/guardian about any specific requests on how to handle the situation; informing the student's teachers about possible days of absences; allowing accommodations for make-up work (being understanding that missed assignments may add stress to the student); appropriate staff maintaining ongoing contact with the student to monitor the student's actions and mood; and working with the parent/guardian to involve the student in an aftercare plan.

Supporting Students during or after a Mental Health Crisis

Students shall be encouraged through the education program and in New LA activities to notify a teacher, New LA administrator, psychologist, New LA counselor, suicide prevention liaisons, or other adult when they are experiencing thoughts of suicide or when they suspect or have knowledge of another student's suicidal intentions. New LA staff should treat each report seriously, calmly, and with active listening and support. Staff should be non-judgmental to students and discuss with the student, and parent/guardian, about additional resources to support the student.

Responding After a Suicide Death (Postvention)

A death by suicide in the school community (whether by a student or staff member) can have devastating consequences on the school community, including students and staff. New LA shall follow the below action plan for responding to a suicide death, which incorporates both immediate and long-term steps and objectives:

The suicide prevention liaison shall:

1. Coordinate with the Head of Schools to:
 - a. Confirm death and cause.
 - b. Identify a staff member to contact the deceased's family (within 24 hours).
 - c. Enact the Suicide Postvention Response.
 - d. Notify all staff members (ideally in-person or via phone, not via e-mail or mass notification).
2. Coordinate an all-staff meeting, to include:
 - a. Notification (if not already conducted) to staff about suicide death.
 - b. Emotional support and resources available to staff.
 - c. Notification to students about suicide death and the availability of support services (if this is the protocol that is decided by administration).
 - d. Share information that is relevant and that which you have permission to disclose.
3. Prepare staff to respond to needs of students regarding the following:
 - a. Review of protocols for referring students for support/assessment.
 - b. Talking points for staff to notify students.
 - c. Resources available to students (on and off campus).
4. Identify students significantly affected by suicide death and other students at risk of imitative behavior.
5. Identify students affected by suicide death but not at risk of imitative behavior.
6. Communicate with the larger school community about the suicide death.
7. Consider funeral arrangements for family and school community.
8. Respond to memorial requests in respectful and non-harmful manner; responses should be handled in a thoughtful way and their impact on other students should be considered.

9. Identify media spokesperson if needed.
10. Include long-term suicide postvention responses:
 - a. Consider important dates (i.e., anniversary of death, deceased birthday, graduation, or other significant event) and how these will be addressed.
 - b. Support siblings, close friends, teachers, and/or students of deceased.
 - c. Consider long-term memorials and how they may impact students who are emotionally vulnerable and at risk of suicide.

Student Identification Cards

Charter School will include the telephone number for the National Suicide Prevention Lifeline (1-800-273-8255) and the National Domestic Violence Hotline (1-800-799-7233) on all student identification cards. New LA will also include the number for the Crisis Text Line, which can be accessed by texting HOME to 741741 and a local suicide prevention hotline on all student identification cards.

TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY

Revision Date: December 12, 2022

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, New Los Angeles Charter School ("New LA" or the "Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. New LA school staff who witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom New LA does business, or any other individual, student, or volunteer. This Policy applies to all employee, students and volunteer actions and relationships, regardless of position or gender. New LA will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. New LA complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

 - Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this Policy.

Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

4. Notwithstanding the definitions of “bullying” and “electronic act” above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

Formal Complaint of Sexual Harassment means a written document filed and signed by a complainant who is participating in or attempting to participate in New LA’s education program or activity or signed by the Coordinator alleging sexual harassment against a respondent and requesting that New LA investigate the allegation of sexual harassment. At the time of filing a formal complaint of sexual harassment, a complainant must be participating in or attempting to participate in New LA’s education program or activity.

Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Bullying and Cyberbullying Prevention Procedures

New LA has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

New LA advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

New LA informs Charter School employees, students, and parents/guardians of New LA's policies regarding the use of technology in and out of the classroom. New LA encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

New LA employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. New LA advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at New LA and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

New LA's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

New LA informs New LA employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

New LA annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other New LA employees who have regular interaction with students.

New LA informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Charter School also informs certificated employees about the groups of students determined by New LA, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

New LA encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for New LA’s students.

Grievance Procedures

1. Scope of Grievance Procedures

New LA will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying based on a legally protected characteristic, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the New LA UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, New LA will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Kate O’Brien
Chief of Schools
1919 S. Burnside Ave.
Los Angeles, CA 90016
Phone: (323) 939-6400

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. New LA will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, Administrator, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

New LA acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

New LA prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker and any person who facilitates an informal resolution process will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to New LA's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or New LA's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. New LA will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of New LA to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of New LA, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

Notice of the Allegations

- Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - A statement that New LA prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.

Emergency Removal

- New LA may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with New LA's policies.
- New LA may remove a respondent from New LA's education program or activity on an emergency basis, in accordance with New LA's policies, provided that New LA undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.

Informal Resolution

- If a formal complaint of sexual harassment is filed, New LA may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If New LA offers such a process, it will do the following:
 - Provide the parties with advance written notice of:
 - The allegations;

- The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
- Obtain the parties' advance voluntary, written consent to the informal resolution process.
- New LA will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

Investigation Process

- The decision-maker will not be the same person(s) as the Coordinator or the investigator. New LA shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
- In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, New LA will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.

Dismissal of a Formal Complaint of Sexual Harassment

- If the investigation reveals that the alleged harassment did not occur in New LA's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable New LA policy.
- New LA may dismiss a formal complaint of sexual harassment if:
 - The complainant provides a written withdrawal of the complaint to the Coordinator;
 - The respondent is no longer employed or enrolled at New LA; or
 - The specific circumstances prevent New LA from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
- If a formal complaint of sexual harassment or any of the claims therein are dismissed, New LA will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.

Determination of Responsibility

- The standard of evidence used to determine responsibility is the preponderance of the evidence standard.

- Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person’s status as a complainant, respondent, or witness.
- New LA will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - The allegations in the formal complaint of sexual harassment;
 - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - The findings of facts supporting the determination;
 - The conclusions about the application of New LA’s code of conduct to the facts;
 - The decision and rationale for each allegation;
 - Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
 - The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from New LA or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by New LA in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find New LA’s resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of New LA’s decision or resolution, submit a written appeal to the Executive Director, who will review the investigation and render a final decision.

The following appeal rights and procedures will apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and New LA will implement appeal procedures equally for both parties.
- Within five (5) business days of New LA’s written decision or dismissal of the complaint, the complainant or respondent may submit a written appeal to the Coordinator.
- The decision-maker(s) for the appeal will not be the same person(s) as the Coordinator, the investigator or the initial decision-maker(s).
- The complainant and respondent may appeal from a determination regarding responsibility, and from New LA’s dismissal of a formal complaint or any allegations therein, on the following bases:
 - Procedural irregularity that affected the outcome of the matter;
 - New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- New LA will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

New LA will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

CLASSROOM-BASED ATTENDANCE POLICY

It is the intent of the Governing Board of the New Los Angeles Charter School (“Charter School”) to ensure that students attend school every day on time. Consistent school attendance is critical to school success. Being present for classroom instructional time is essential for students to reach their goals and achieve their dreams. Chronic absenteeism has been linked to an increased likelihood of poor academic performance, disengagement from school and behavior problems.

Definitions

- *“Tardy”*: Students shall be classified as tardy if the student arrives after 7:50am.
- *“Unexcused Absence”*: Students shall have an unexcused absence if the student is absent or is tardy for more than thirty (30) minutes without a valid excuse.
- *“Truant”*: Students shall be classified as truant if the student is absent from school without a valid excuse three (3) full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day without a valid excuse on three (3) occasions in one school year, or any combination thereof. Any student who has once been reported as a truant and who is again absent from school without valid excuse one or more days, or tardy on one or more days, shall again be deemed a truant.  2. The parent shall be required to sign a contract formalizing the agreement by the parents to improve the child’s attendance or face additional administrative action. 2. Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian or parent representative. The employee shall subsequently record the following:
 - a. Name of student;
 - b. Name of parent/guardian or parent representative;
 - c. Name of verifying employee;
 - d. Date or dates of absence; and
 - e. Reason for absence.
3. Visit to the student's home by the verifying employee, or any other reasonable method, which establishes the fact that the student was absent for the reasons stated. A written recording shall be made, including information outlined above.
4. Healthcare provider verification
 - a. When excusing students for confidential medical services or verifying such appointments, Charter School staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.

When a student has had 14 absences in the school year for illness verified by methods listed in #1-#3 above without a healthcare provider's note, any further absences for illness must be verified by a healthcare provider.

Insofar as class participation is an integral part of students' learning experiences, parents/guardians and students shall be encouraged to schedule medical appointments during non-school hours.

Students should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergency or for Students in grades 7-8, inclusive, who may be excused from school for the purpose of obtaining confidential medical services without the consent of the student's parent or guardian. Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to administrative regulations and law.

Students who are absent are expected to email their teachers or call a class buddy for assignments. Missed work must be made up. Taking a student out of school for vacations is not encouraged.

Unexcused Absences/Truancy for Classroom Based Attendance

Students shall be classified as truant if the student is absent from school without a valid excuse three full days in one school year, or if the student is tardy or absent for more than any 30-minute period during the school day

without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Principal or designee. In addition, students shall be classified as a chronic truant if the student is absent from school without a valid excuse for 10 percent or more of the school days in one school, from the date of enrollment to the current date.

The Principal, or designee, shall implement positive steps to reduce truancy, including working with the family in an attempt to resolve the attendance problem. A student's progress and learning may be affected by excessive unexcused absences. In addition, the Charter School is fiscally dependent on student attendance and is negatively impacted by excessive unexcused absences. If all attempts to resolve the student's attendance problem are unsuccessful, the Charter School will implement the processes described below.

Students who are late for an academic class will have consequences as determined by the classroom teacher. Consequences may include, but are not limited to, loss of privileges or referral to meet with the teacher after school in detention. Any student(s) who chooses to skip a class, may be subject to a Conference with the assistant principal and parents to discuss the situation.

If a student is late, he/she must report to the office (with a parent or guardian when possible) for a tardy slip. All tardy arrivals are recorded and will be reported on progress reports. Parents or guardians are asked to contact the school when they know their student(s) will be tardy. Students who are consistently tardy will need to make up missed work and may face the consequences of truancy outlined below.

If a student must have a prolonged absence during school time, each teacher and the principal must be notified in writing two weeks ahead of time. Without proper notification, we cannot guarantee that all classroom work will be available by the time of the student's departure. If a student is absent for only part of the day, he/she must report to the office for an admission slip to class.

Student Check Out

Parents or guardians picking up students from school early must go to the office to check the student out and state the reason. The office staff will then call the class to have the student meet the parent or guardian in the office. A student must never leave the school premises early unless the parent or guardian has checked in with the office first. This is for the student's safety and we ask that you please do not bend this rule. New LA is a **closed campus** and students are not allowed to leave campus during school hours for any reason unless accompanied by an adult and signed out properly. There is a binder at the front desk where parents/guardians sign students out and back in again.

Process for Upholding the Attendance Policy

First Day of School Process : When students are not in attendance on the first five (5) days of school, the Charter School will attempt to reach the parent/guardian on a daily basis for each of the first five days to determine whether the student has an excused absence, consistent with the process outlined in this policy. If the student has a basis for an excused absence, parents must notify the school of the absence and provide documentation consistent with this policy. However, consistent with the process below, students who are not in attendance due to an unexcused absence by the fifth day of school will be disenrolled from the school roster after following the Involuntary Removal Process described below, as it will be assumed that the student has chosen another school option.

1. Students who are not in attendance on the first day of school will be contacted by phone to ensure their intent to enroll.

2. Students who have indicated their intent to enroll, but have not attended by the third day will receive a letter indicating the student's risk of disenrollment.
3. Students who have indicated their intent to enroll, but have not attended by the fifth day will receive a phone call reiterating the content of the letter.
4. The Charter School will send the Involuntary Removal Notice to the Parent/Guardian and follow the Involuntary Removal Process described below for any students who have not attended by the sixth (6th) day, and do not have an excused absence.
5. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of Student's enrollment and attendance at another public or private school (i.e. a CALPADS report).
6. The Charter School will use the contact information provided by the parent/guardian in the registration packet.
7. Upon removal, the last known school district of residence will be notified of the student's failure to attend the Charter School and the disenrollment within thirty (30) days of the disenrollment.

Truancy Process:

1. Each of the first two (2) unexcused absences or unexcused tardies over 30 minutes will result in a call home to the parent/guardian by the Principal or designee. The student's classroom teacher may also call home.
2. Each of the third (3rd) and fourth (4th) unexcused absences or unexcused tardies over 30 minutes will result in a call home to the parent/guardian by Principal or designee. In addition, the student's classroom teacher may also call home and/or the School may send the parent an email notification. In addition, upon reaching three (3) unexcused absences in a school year, the parent/guardian will receive "Truancy Letter #1" from the School. This letter must be signed by the parent/guardian and returned to the School. This letter shall also be accompanied by a copy of this Attendance Policy. This letter, and all subsequent letter(s) sent home, shall be sent by Certified Mail, return receipt requested, or some other form of mail that can be tracked.
3. Upon reaching seven (7) unexcused absences, the parent/guardian will receive "Truancy Letter #2 – Conference Request," and a parent/guardian conference will be scheduled to review the student's records and develop an intervention plan/contract. In addition, the School will consult with a school counselor regarding the appropriateness of case management.
4. Upon reaching ten (10) unexcused absences, the student will be referred to a Student Success Team (SST) and the School Attendance Review Team (SART). In addition, the parent/guardian will receive a "Habitual Truancy Reclassification Letter #3," and will be asked/invited to attend a meeting for parents/guardians of chronically absent students.
5. The SART panel will be composed of The Head of Schools, Principals from Elementary and Middle School, Community Advocate and Counselor. The SART panel will discuss the absence problem with the Parent/Guardian to work on solutions, develop strategies, discuss appropriate support services for the student and his/her family, and establish a plan to resolve the attendance issue.
 - a. The SART panel shall direct the parent/guardian that no further unexcused absences or tardies can be tolerated.
 - b. The parent shall be required to sign a contract formalizing the agreement by the parents to improve the child's attendance or face additional administrative action. The contract will identify the corrective actions required in the future, and indicate that the SART panel shall have the authority to order one or more of the following consequences for non-compliance with the terms of the contract:
 - i. Parent/guardian to attend school with the child for one day
 - ii. Student retention
 - iii. After school detention program

- iv. Required school counseling
 - v. Loss of field trip privileges
 - vi. Loss of school store privileges
 - vii. Loss of school event privileges
 - viii. Required remediation plan as set by the SART
 - ix. Notification to the District Attorney
- c. The SART panel may discuss other school placement options.
 - d. Notice of action recommended by the SART will be provided in writing to the parent/guardian.
6. If the conditions of the SART contract are not met, the student may incur additional administrative action up to and including disenrollment from the school consistent with the Involuntary Removal Process described below. If the student is disenrolled after the Involuntary Removal Process has been followed, notification will be sent within thirty (30) days to the student's last known district of residence.
 7. For all communications set forth in this process, the Charter School will use the contact information provided by the parent/guardian in the registration packet. It is the parent's or guardian's responsibility to update the Charter School with any new contact information.
If student is absent ten (10) or more consecutive school days without valid excuse and parent/guardian cannot be reached at the number or address provided in the registration packet and does not otherwise respond to the Charter School's communication attempts, as set forth above, the student will be in violation of the SART contract, and the SART panel will recommend that the student be disenrolled in compliance with the Involuntary Removal Process described below. The Involuntary Removal Process can be started immediately upon the Charter School receiving documentation of Student's enrollment and attendance at another public or private school (i.e. a CALPADS report).

Removal from Charter School: No student shall be involuntarily removed by the Charter School for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action ("Involuntary Removal Notice"). The written notice shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder. The Involuntary Removal Notice shall include the charges against the pupil and an explanation of the pupil's basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with the Charter School's expulsion procedures. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to the Charter School's suspension and expulsion policy.

Upon parent/guardian request for a hearing, the Charter School will provide notice of hearing consistent with its expulsion hearing process, through which the pupil has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the pupil has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student's parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder and shall include a copy of the Charter School's expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the Student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If a parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the Student will be disenrolled effective the date of the hearing.

If as a result of the hearing the student is disenrolled, notice will be sent to the student's last known district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent the Charter School from making a similar recommendation in the future should student truancy continue or reoccur.

Referral to Appropriate Agencies or County District Attorney: It is the Charter School's intent to identify and remove all barriers to the student's success, and the School will explore every possible option to address student attendance issues with the family. For any unexcused absence, the School may refer the family to appropriate school-based and/or social service agencies.

If a child's attendance does not improve after a SART contract has been developed according to the procedures above, or if the parents fail to attend a required SART meeting, the Charter School shall notify the District's Attorney's office, which then may refer the matter for prosecution through the court system. Students 12 years of age and older may be referred to the juvenile court for adjudication.

Nondiscrimination: These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code Section 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, immigration status, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code or association with an individual who has any of the aforementioned characteristics).

Reports: The Principal, or designee, shall gather and report to the Board the number of absences both excused and unexcused as well as students who are truant, and the steps taken to remedy the problem.

Traffic Management Policy

To all parents, faculty, staff and members of the CLIC school community:

As required by the City of Los Angeles, CLIC is adopting this Traffic Management Plan which provides a set of rules and requirements applicable to vehicle visits to the school. This Plan is intended to:

- Provide a safe and efficient means for dropping-off and picking-up students.
- Ensure that our drop-off and pick-up procedures minimize circulation impacts.
- Meet requirements set by the City to minimize the school's traffic impact on nearby streets.

Rules and Requirements of the Traffic Management Plan

1. Access

- a. All vehicle access will be restricted to Venice Boulevard via the two driveways on the eastern and western ends of the school property. The eastern driveway will be restricted to inbound traffic only, during the drop-off and pick-up time periods. At other times, the gate to this driveway will be closed. The western driveway will allow both inbound and outbound movements by vehicles, except during drop-off and pick-up time periods, when it will be restricted to outbound movements. Parents and other visitors to the school outside of the drop-off and pick-up time periods shall use the western driveway for ingress and egress.
- b. Parents dropping off school children in the morning during the drop-off time period will enter on the eastern driveway and exit on the western driveway.
- c. Staff and faculty will enter using the western driveway.
- d. Both driveways will be restricted to right-turn in / right-turn out movements. (No left turns are permitted, either entering or exiting the school site.)
- e. No vehicle or pedestrian access will be allowed through Norton Avenue, except for emergency vehicles and trash services. The gate at Norton Avenue will remain closed and no access will be provided to students walking down Norton Avenue. Instead, students walking, biking or skateboarding to school from the north (e.g., north of Pico Boulevard) should walk south to the school's Venice Blvd. entrance using either 6th Avenue or 12th Avenue.

2. Monitors

- a. In order to ensure traffic safety, three staff members or traffic monitors will be required during the pick-up/drop-off periods, and vehicles entering or leaving the school must follow the monitors' directions.
- b. One traffic monitor will be stationed at the east driveway to facilitate vehicles entering the driveway and ensure children walking on the sidewalk can do so safely.
- c. One traffic monitor will be stationed at the west driveway to facilitate vehicle ingress and egress, ensure that conflicts are avoided, and that children walking on the sidewalk can do so safely.
- d. One traffic monitor will be stationed at the pick-up/drop-off area on-site. This monitor will ensure that children who are picked up or dropped off can safely walk between the vehicle and school building.

3. Schedule

- a. The school will operate under a 1-hour staggered schedule to reduce peak hour traffic congestion on nearby intersections and roadways.
- b. During the morning, school will start at 8:00am for grades 3-5, and at 9:00am for grades TK-2.

STUDENT USE OF TECHNOLOGY POLICY

The Board of Directors of New Los Angeles Charter School (“New LA” or the “Charter School”) finds that new technologies are modifying the way in which information may be accessed, communicated and transferred. Those changes also alter instruction and student learning. The Charter School offers students access to technologies that may include Internet access, electronic mail, and equipment, such as computers, tablets, or other multimedia hardware. By its adoption of this Policy, the Board intends that technological resources provided by the Charter School be used in a safe, responsible, and proper manner in support of the instructional program and for the advancement of student learning.

Definitions

- *“Educational purpose”* means classroom activities, research in academic subjects, career or professional development activities, Charter School approved personal research activities, or other purposes as defined by the Charter School from time to time.
- *“Inappropriate use”* means a use that is inconsistent with an educational purpose or that is in clear violation of this Policy and the Acceptable Use Agreement.

Approved Use of Charter School Technology

Use of Charter School equipment and access to the Internet via Charter School equipment and resource networks is intended to serve and pursue educational goals and purposes. Student use of the Internet is therefore limited to only those activities that further or enhance the delivery of an educational purpose. Students and staff have a duty to use Charter School resources only in a manner specified in the Policy.

Notice and Acceptable Use Agreement

The Charter School shall notify students and parents/guardians about authorized uses of Charter School computers, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities.

Before a student is authorized to use the Charter School’s technological resources, the student and the student’s parent/guardian shall sign and return the Acceptable Use Agreement specifying user obligations and responsibilities. In that agreement, the student and the student’s parent/guardian shall agree not to hold the Charter School or any Charter School staff responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes or negligence. They shall also agree to indemnify and hold harmless the Charter School and Charter School personnel for any damages or costs incurred.

Safety

The Charter School shall ensure that all Charter School computers with Internet access have a technology protection measure that blocks or filters Internet access to websites that have no educational purpose and/or contain visual depictions that are obscene, constitute child pornography, or that are harmful to minors. While the Charter School is able to exercise reasonable control over content created and purchased by the Charter School, it has limited control over content accessed via the internet and no filtering system is 100% effective. Neither the Charter School nor its staff shall be responsible for the failure of any technology protection measures, violations of copyright restrictions, or user mistakes, misuse or negligence.

To reinforce these measures, the Principal or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities. Staff shall monitor students while they are using New LA computers, laptops, or tablets to access the internet or online services on a New LA campus and may have teacher aides, student aides, and volunteers assist in this monitoring. Parents/guardians are required to supervise and monitor their child's use of New LA equipment including but not limited to their child's access to the internet and any online services through such equipment any and all times during which any Charter School equipment is being used by their child outside school facilities or school hours to ensure compliance with this policy.

The Principal or designee also shall establish regulations to address the safety and security of students and student information when using email, chat rooms, and other forms of direct electronic communication.

The Principal or designees shall provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, maintaining the student's online reputation and ensuring their personal safety by keeping their personal information private, the dangers of posting personal information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.¹ Students are expected to follow safe practices when using Charter School technology.

New LA advises students:

- a. To never share passwords, personal data, or private photos online.

¹ "Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a pupil or group of pupils, directed toward one or more pupils that has or can be reasonably predicted to have one or more of the following effects:

- Placing a reasonable pupil or pupils in fear of harm to that pupil's or those pupil's person or property.
- Causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health.
- Causing a reasonable pupil to experience substantial interference with his or her academic performance.
- Causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by the school.

As used in connection with "bullying," an "electronic act" means the creation or transmission originated on or off the school site, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

- A message, text, sound, video, or image.
- A post on a social network Internet Web site, including, but not limited to:
 - Posting to or creating a "burn page" (i.e., an Internet Web site created for the purpose of bullying).
 - Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects of bullying. To create a "credible impersonation" means to (knowingly and without consent) impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed, that the pupil was or is the pupil who was impersonated.
 - Creating a false profile for the purpose of having one or more of the effects of bullying. A "false profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.
- An act of cyber sexual bullying. The term "cyber sexual bullying" means the dissemination of, or the solicitation or incitement to disseminate, a photograph or other visual recording by a pupil to another pupil or to school personnel by means of an electronic act that has or can be reasonably predicted to have one or more of the effects of bullying. A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act. The term "cyber sexual bullying" does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.

- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

Students shall not use the Internet to perform any illegal act or to help others perform illegal acts. Illegal acts include, but are not limited to, any activities in violation of local, state, and federal law and/or accessing information designed to further criminal or dangerous activities. Such information includes, but is not limited to, information that if acted upon could cause damage, present a danger, or cause disruption to the Charter School, other students, or the community. Damaging, debilitating or disabling computers, computer networks or systems through the intentional or overuse of electronic distribution or the spreading of computer viruses or other harmful programs shall be prohibited. Any unauthorized online access to other computers by means of hacking into other computers, downloading hacker tools such as port scanners and password crackers designed to evade restrictions shall also be strictly prohibited.

Student use of Charter School computers to access social networking sites is not prohibited, but access is limited to educational purposes only. To the extent possible, the Principal or designee shall block access to such sites on Charter School computers with Internet access.

The Principal or designee shall oversee the maintenance of the Charter School's technological resources and may establish guidelines and limits on their use.

All employees shall receive a copy of this policy and the accompanying Acceptable Use Agreement describing expectations for appropriate use of the system and shall also be provided with information about the role of staff in supervising student use of technological resources. All employees shall comply with this policy and the Acceptable Use Agreement, in addition to any separate policies governing employee use of technology.

Student use of Charter School's computers, networks, and Internet services is a privilege, not a right. Compliance with the Charter School's policies and rules concerning computer use is mandatory. Students who violate these policies and rules may have their computer privileges limited and may be subject to discipline, including but not limited to suspension or expulsion per school policy.

To facilitate monitoring of activities, computer screens may be positioned so that they are visible to the staff member supervising the students. The Charter School reserves the right to access stored computer records and communications, files, and other data stored on Charter School equipment or sent over Charter School networks. Such communications, files, and data are not private and may be accessed during routine system maintenance; during inspection of Charter School equipment at the end of the school year/term or agree to use period; and review of individual files or monitoring of individual activity when there is a reasonable suspicion that the student is engaging in an inappropriate use.

After reading the Student Use of Technology Policy and the Acceptable Use Agreement, please complete this form to indicate that you agree with the terms and conditions provided. The signature of both the student and parent/guardian are mandatory before access may be granted to the technologies available. This document, which incorporates the Use Procedure, reflects the entire agreement and understanding of all parties. New LA encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

As a user of Charter School technologies, I have read Student Use of Technology Policy and hereby agree to comply with it and the Acceptable Use Agreement.

I understand that computer use is a privilege and not a right. I understand that students who violate this policy in any way will be subject to a referral and possible suspension or expulsion. I understand that if a student willfully damages New LA's property, including but not limited to New LA's technology, equipment and networks, or fails to return New LA's property that has been loaned to the student, the student's parents/guardians are liable for all damages caused by the student's misconduct up to an amount not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student's parent or guardian in writing of the student's alleged misconduct and affording the student due process, New LA may withhold the student's grades, transcripts, and diploma until the damages have been paid or the property has been returned. If the student and the student's parent/guardian are unable to pay for the damages or to return the property, New LA will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student's grades, transcripts and diploma will be released. When the minor and parent are unable to pay for the damages, the Charter School will provide a program of voluntary work for the minor in lieu of the payment of monetary damages.
